

TOWER FAN VOLT POLSKA

COMFORT 60 PLUS

INDEKS: 3ZWENP50PL

EAN: 5904100450329

The tower fan **COMFORT 60 PLUS** is designed to provide **the air circulation in rooms**. It has **three speed levels** (3 levels of airflow intensity: slow, medium and high) and 3 modes (Normal/Natural/Sleep) which ensures strong wind or subtle breeze. All functions can be set by the remote control. In addition, the fan has a timer (0.5-7h), which allows you to set the time after which the device automatically turns off. The fan is light, portable, equipped with handy holder. It works quietly, without causing discomfort during work, rest or sleep. Practical for self-assembly.
