ABOUT THE PRODUCT

TERMO GLASS PRO 2000W Wi-Fi COMFORT BLACK is an electric heater with a black glass front panel and an aluminium X-shaped heating element. The slim design allows wall mounting using brackets or floor-standing installation using feet.

The heater offers Comfort, Eco and frost protection modes. The touch control panel and remote control enable convenient operation, while the Wi-Fi network connection allows remote adjustment using the Smart Life app, compatible with Amazon Echo and Google Home.

The device is equipped with a timer, child lock and digital thermostat with daily and weekly timers. The app also enables the creation of heating schedules and scenarios.

TECHNICAL SPECIFICATIONS

Electrical specifications	**Maximum power**	2000 W (in Eco mode: 1000 W)
	Voltage and frequency	230 V, 50/60 Hz
	Standby power consumption	0,00089 kW
