### ABOUT THE PRODUCT

WARRIOR 480W solar lamp with a 50W solar panel and 48 000 mAh battery is a solution for illuminating gardens, parks and architectural elements without the need for connection to the mains. Equipped with a dusk sensor and intelligent light management, it switches on automatically after dark and switches off at dawn.

The lamp offers continuous mode with brightness of 100% or 50%, as well as timer functionality with switch-off after 3h, 5h or 8h. Control is performed using the remote control included in the set. The recommended installation height is from 3 to 5 metres.

The construction is made of ABS. W the set includes the lamp, 50W solar panel and remote control. The pole is not included in the set.
